

The background is a vibrant green with a subtle pattern of overlapping circles and squares in varying shades of green. On the right side, there is a vertical column of white squares of different sizes, some of which are partially cut off by the edge of the frame.

PRODUCT
OVERVIEW 2018

**green light
for all you
have in mind.**

You have the idea and we give you our full support in implementing it. We always endeavour to increase our selection of high quality standard parts and to provide fast and flexible delivery for you.

THE BIG GREEN BOOK

FLEXIBLE STANDARD PART SYSTEM

norelem
positions.

01000

Basic elements
Subplates
Discs

Profiles
Angle plates
Tombstones

02000

Self-aligning pads
Fixture feet

Clamp rests
Support elements

06000

Operating parts

07000

Fasteners
Ball-end thrust screws
and grippers
Thrust screws and
thrust pads

Lifting bolts
Torque bolts and
threaded inserts
Swivel bales/
Ring bolts

ASSEMBLY SYSTEM

norelem
assembles.

10000

Aluminium profiles
Connectors

Covers
Special elements

03000

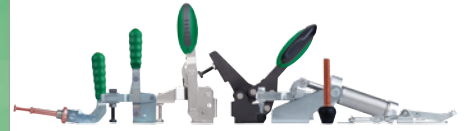

Spring plungers
Indexing plungers
Centring and
positioning
components

Stops
Locking pins
T-slot nuts

04000

Clamp straps
Clamping elements

05000

Toggle clamps
Pneumatic clamps
Quarter-turn locks

Latches
Clamp accessories

08000

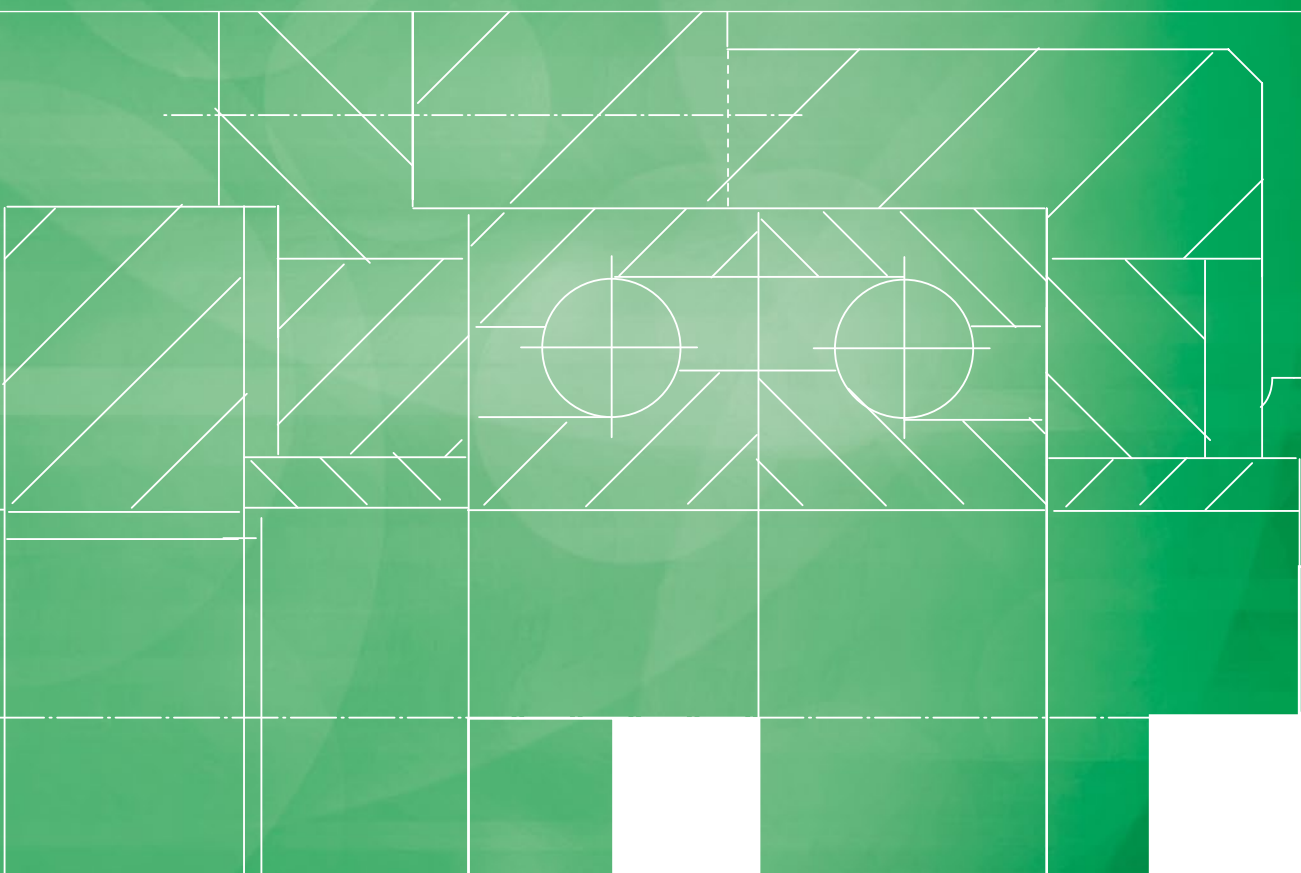

Jig elements
Drilling jigs

Drill bushes

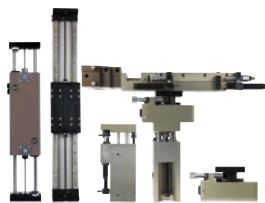

09000

Magnets

SYSTEMS AND COMPONENTS FOR MACHINE AND PLANT CONSTRUCTION

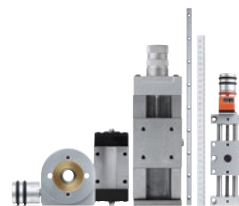

norelem
moves.

20000

Linear modules
Lifting units
Rotary modules
Grip modules

Inductive
proximity switches
Plug Connectors

21000

Slides
Guide rails
Positioning tables

Linear guide
systems
Position indicator

26000

Rubber buffers
Shock absorbers
Gas springs

27000

Clevis joints
Rod ends
Ball/Axial joints
Levelling sets

Swivel/Levelling feet
Tube inserts
Equipment feet
Hinges

ELEMENTS TO MEASURE AND TEST

norelem
measures.

31000

Inspection tables
Gauge stands

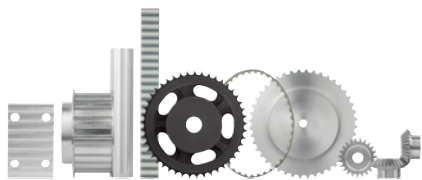

Gauge joints

32000

Concentricity gauges
Dial indicators

Universal measuring
fixtures

22000

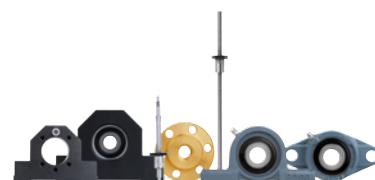

Drive technology

23000

Couplings
Rigid couplings
Keyless locking
couplings

Universal joints
Quick-fit couplings
Bearings

24000

Trapezoidal thread
spindles

Ball screw linear
actuators
Bearing units

28000

Oil level gauges
Caps
Plugs

Vent screws
Dipsticks
Filler necks

29000

Tube connections
Tube clamps
Tube joints

Tubes
Columns

33000

Standard parts for
inspection and
testing devices

CLAMPING TECHNOLOGY

norelem
clamps.

NOW
NEW

41000

Vices

NORELEM TECHNOSHOP

norelem
techno
shop.

96000

Feeler gauge strips
Magnetic labels
Magnetic envelopes
Protective nets

Supercraft soft-face
hammers
Mallet inserts
Taper cleaners
Cylinder cleaners

97000

Lubricants
Grease nipples
Adhesives

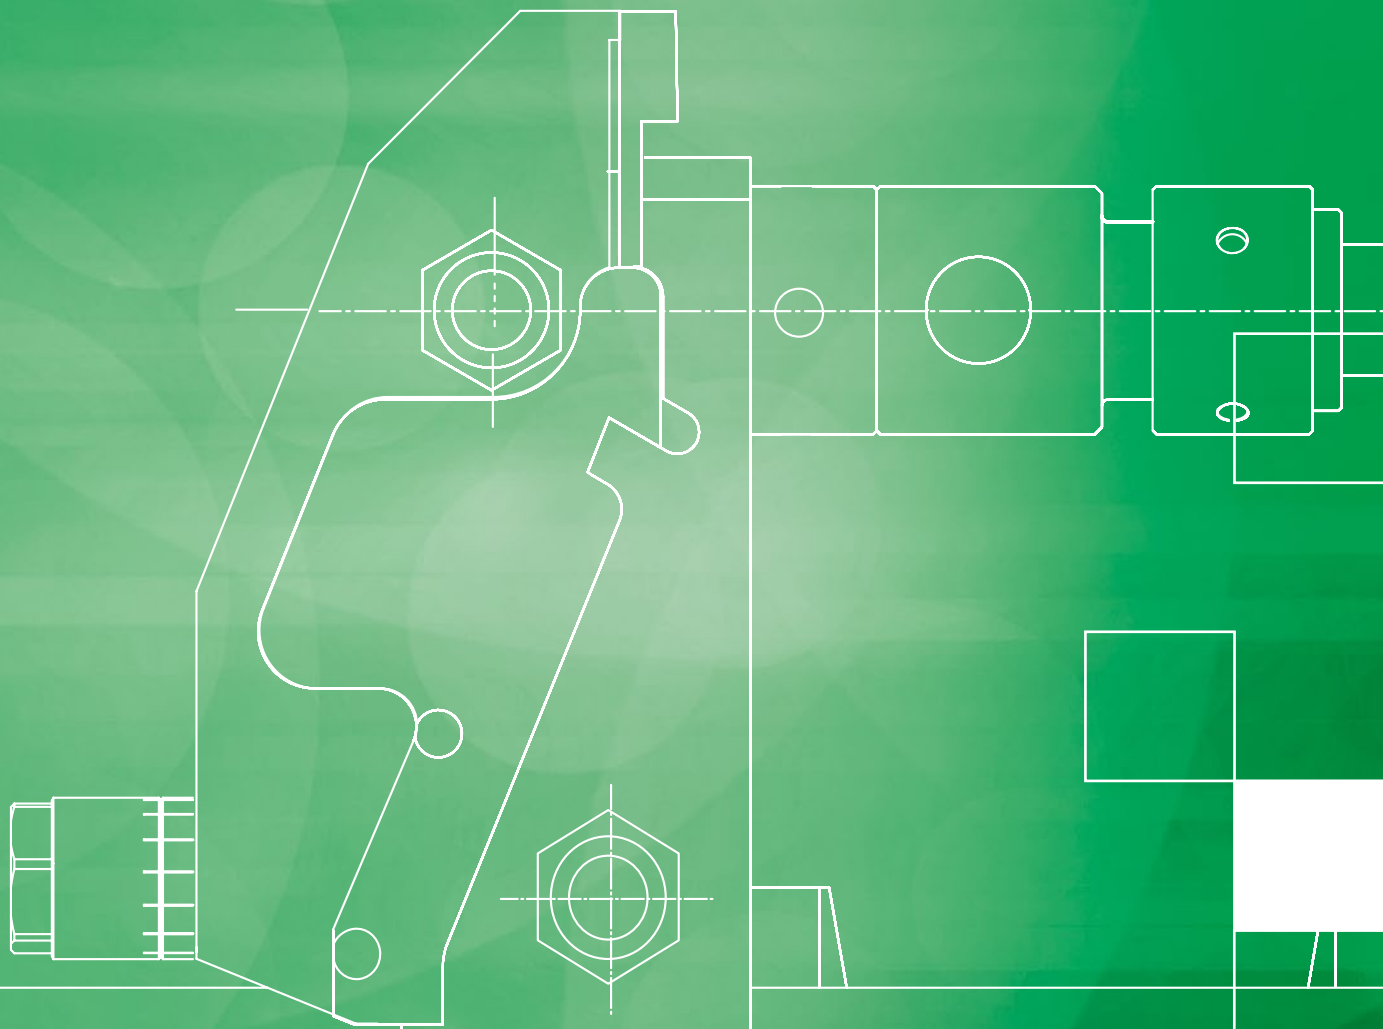

MATERIAL HANDLING AND TRANSPORT

norelem
trans-
ports.

95000

Material handling
and transport

**cad data:
everything
at a click.**

ONLINE SHOP AND DOWNLOADS AT WWW.NORELEM.COM

Save time and effort when designing with CAD data. Our CAD library contains relevant technical and geometrical data for all our components. The CAD data is also available in various formats so that it can easily be integrated into your system.

WWW

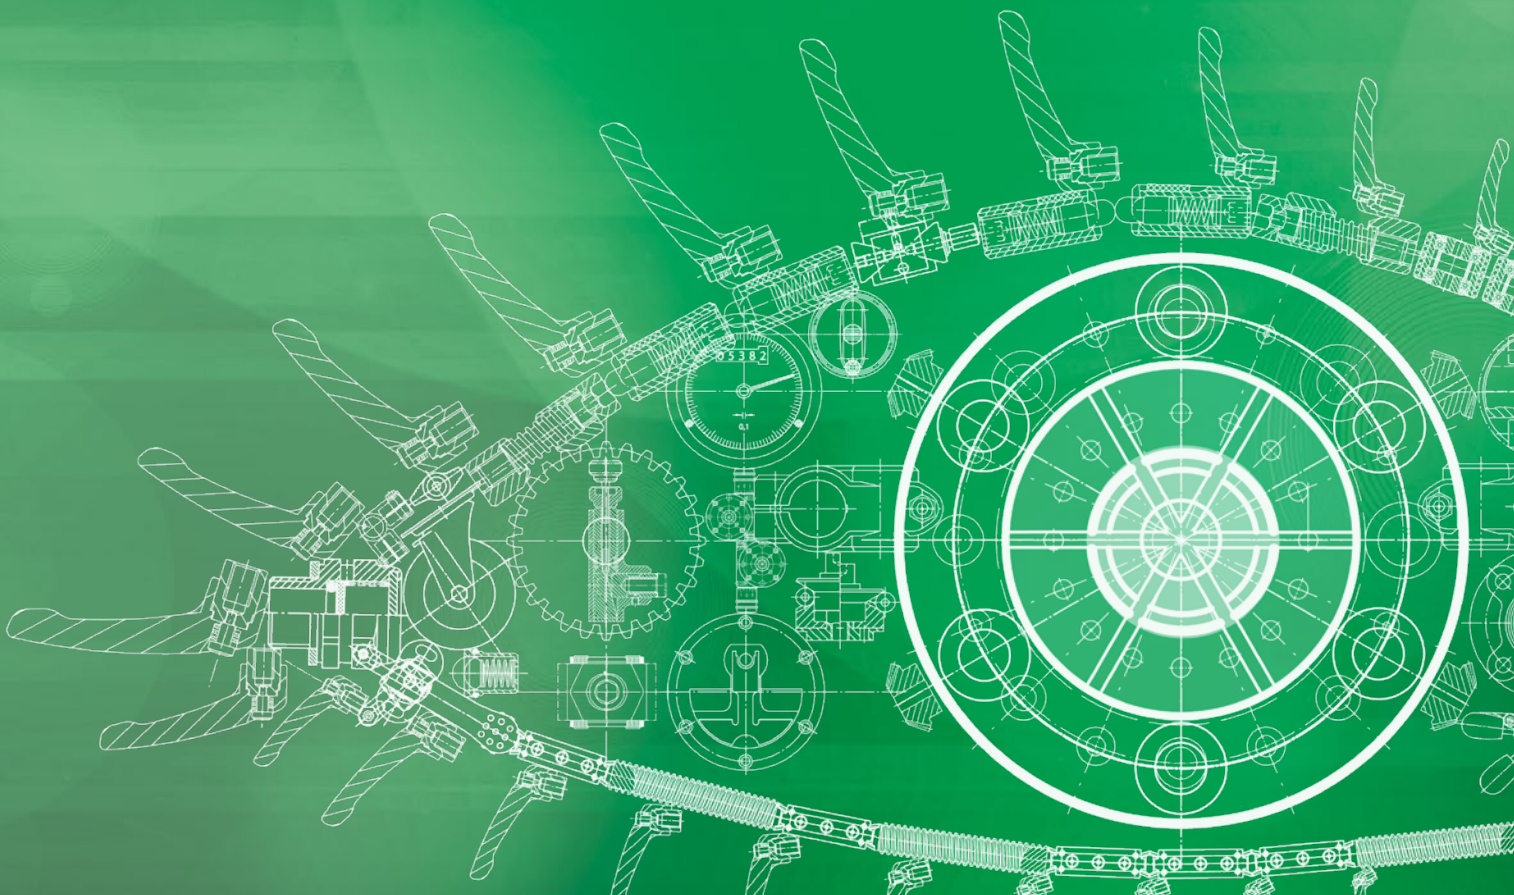

All CAD data can also be found in our homepage:
www.norelem.com

DVD

We can send you a free of charge DVD with all norelem CAD data.

APP

You can also access the CAD data from the norelem CAD app, this is available for free in the Apple App Store and on Google Play.

THE BIG GREEN BOOK ■ 2018

over 38,000
standard
parts
for all
your ideas.

Order your free catalogue at www.norelem.com. With more than 1700 pages, our catalogue contains all the standard parts you need to turn your ideas into reality:

- We can supply more than 38,000 top quality standard parts and machine components.
- We are constantly expanding our product range.
- We guarantee reliable and quick delivery.
- This concise reference book is orientated on your design steps.
